

Position Title: Bolted Tank Installer

Position Location: Various sites throughout Western Canada

Job Summary

The Bolted Tank Installer is a part of a 3-5 person field construction crew responsible for erecting and installing bolted steel tanks reporting directly to the site Foreman.

This position is classified as a “direct hire” with STT Enviro Corp. It is an hourly full-time position with full-time benefits; **not contract work**.

Salary

\$18- \$22/hour ++++

In addition to the base rate, we offer:

- ✓ Overtime at time and a half per Labour Standards
- ✓ Living Out Allowance (LOA)
- ✓ Minimum of 56 hours/week
- ✓ Full benefits and insurance coverage
- ✓ Reimbursement for tickets required to do the job once employed
- ✓ Performance increases
- ✓ Career development opportunities
- ✓ An opportunity to make 30% above and beyond base rate with all of the additions!

Key Responsibilities:

- Must be able to perform elevated work safely and confidently up to 50 feet for extended periods while tied-off and wearing harness.
- Must be able to work in hot and cold weather extremes.
- Must be able to safely operate hand and power tools (both electric and pneumatic).
- Must be capable of properly lifting a minimum of 50 pounds.
- Must comply with all site and company rules and standards.
- Must maintain a clean and safe job site.

Key Requirements:

- 3 years of construction labour experience.
- 21/7 shift with work locations throughout Western Canada.
- Wages are dependent on experience.
- Construction Safety Training System Certificate (CSTS) is an asset.
- Preference will be given to candidates with Fall Protection and Confined Space certifications.
- Mandatory clearance of pre-employment Drug & Alcohol (D&A) screening.

About STT Enviro Corp

At STT Enviro Corp we are continually seeking innovative and ambitious individuals to join our team. Offering a great client experience for our customers begins with creating a great workplace for our employees.

As an employee of STT Enviro Corp you can expect to work in an environment that offers professional growth, mutual-respect and collaboration. We encourage our employees to bring a desire to change and improve both what we do, and what they do, so that as a company and as individuals we can continually raise the bar in excellence.

Are you smart, innovative and empowered by working as a team? If you aren't afraid of new challenges, raising the bar of excellence and have a real commitment to the ambition and values we have, then we want to hear from you.

Please send your resume to careers@sttenvirocorp.com

We thank all candidates interested in joining the STT Enviro Corp team; however only those candidates selected for an interview will be contacted.
